## Next, Girl, Lady, Woman

Divine Mill... Next...

CHORUS:
I need a girl
Someone I can just chill with
I need a lady
Someone I can be real with
I need a woman
That supports everything I'm doin
Girl if your that lady, come on woman be my baby

I know this is our first date
But the, fact remains, your a candidate
To be
More than just dinner and wine
A girl I'd classify as just a friend of mine
Now I
Don't want you to feel uncomfortable
We can take it slow cause we hardly even know each other
But you seem like a girl I could bring home to my mother

## **CHORUS**

To be with me is pressure for sure That's, why she's gotta be secure In me In her In love In us 'Cause... There's certain things that I won't discuss... Like where I've been Who I was with What I was doin' That type of shhhh 'Cause to love me Is to trust me If you want me Say something ('cause I...)

## CHORUS x2

See I really wanna please my girl 'Cause I really really need my girl I'd never ever leave my girl So if you wanna be my girl Come on, Come on...

See I really wanna please my girl
'Cause I really really need my girl
I'd never ever leave my girl
If your that lady, come on woman, be my baby ('cause I, I...)
