## Niall Horan, Everywhere

[Verse 1]

You walk into the room, I go quiet I catch your eyes and don't blink an⊡eyelid Feels⊡ike the world⊡ocked us on an island An island⊡without waves

[Pre-Chorus]
I try and try to forget you
But your mother thinks I'm the best for you
Try and try to erase you
But you won't disappear

[Chorus]

Feels like every time I turn a corner, you're standin' right there
Over my shoulder, you're everywhere
I swear it's hard to think, it's hard to breathe when you're in the air
I try to run, but you're everywhere I go
When I think I'm all alone
And my heart's under control
Why is lovin' you not fair?
You're everywhere

[Verse 2]

The ground beneath my feet's a bit colder I see your face in people I don't know Feels like the world is twistin' in slo-mo And I'm stuck in one place

[Pre-Chorus]
I try and try to forget you
But your mother thinks I'm the best for you
I try and try to erase you
But you won't disappear

[Chorus]

Feels like every time I turn a corner, you're standin' right there
Over my shoulder, you're everywhere
I swear it's hard to think, it's hard to breathe when you're in the air
I try to run, but you're everywhere I go
When I think I'm all alone
And my heart's under control
Why is lovin' you not fair?
You're everywhere

[Bridge]
Everywhere
Everywhere I go
But you're still not here
And you're still not here

[Chorus]

Feels like every time I turn a corner, you're standin' right there I swear it's hard to think, it's hard to breathe when you're in the air Feels like every time I turn a corner, you're standin' right there Over my shoulder, you're everywhere (Yeah) I swear it's hard to think, it's hard to breathe when you're in the air I try to run, but you're everywhere I go When I think I'm all alone (All alone) And my heart's under control (Oh no) Why is lovin' you not fair? You're everywhere You're everywhere
