

# Niall Horan, San Francisco

[Verse 1]

Moon shining, sun rising  
You're the one I want to wake up to  
Lights fading, I'm changing  
Overthinking, I don't know what to do

[Pre-Chorus]

I wanna kiss you like the first time  
Hold you like it's not goodbye  
Wish I hadn't been so cruel  
I wanna let all my defenses down  
Scream until you hear me out  
I'll lay it on the line for you

[Chorus]

My mind's made up  
Take me back, take me back  
To San Francisco  
I know what we had would never last  
Now I can't let go of you  
I might show up on your doorstep, soakin' wet  
Say I'm done runnin' from the one that I want so bad  
Take me back, take me back

[Verse 2]

Drunk dialin', full dive in  
Don't you tell me that it's too late now  
'Cause I'm pacing, I keep breaking  
Is there a way to make it up somehow?

[Pre-Chorus]

I wanna kiss you like the first time  
Hold you like it's not goodbye  
Before you fall for somebody new  
I wanna let all my defences down  
Scream until you hear me out  
I know that I'll be good to you

[Chorus]

My mind's made up  
Take me back, take me back  
To San Francisco  
I know what we had would never last  
Now I can't let go of you  
I might show up on your doorstep, soakin' wet  
Say I'm done runnin' from the one that I want so bad  
Take me back, take me back

[Bridge]

My mind's made up, up, up, up, up  
My mind's made up

[Chorus]

And take me back, take me back  
To San Francisco  
I know what we had could never last  
Now I can't let go of you  
I might show up on your doorstep, soakin' wet  
Say I'm done runnin' from the one that I want so bad  
Take me back, take me back

[Outro]

And take me back, take me back  
And take me back, take me back

Oh
