

# Nick Carter, I Need You Tonight Live

Open up your heart to me  
And say what's on your mind  
I know that we have been through so much pain  
But I still need you in my life this time

And I need you tonight  
I need you right now  
I know deep within my heart  
It doesn't matter if it's wrong or right  
Cause I see heaven in your eyes

I figured out what to say to you  
But some times the words come out so wrong  
And I know in time that you will understand  
That what we have is so right this time

And I need you tonight  
I need you right now  
I know deep within my heart  
It doesn't matter if it's wrong or right

And all those endless times we've tried to make it  
Last forever more and baby i know

I need you  
I know deep within my heart  
It doesn't matter if it's wrong or right  
Cause I see heaven

I need you tonight  
I need you right now  
I know deep within my heart  
It doesn't matter if it's wrong or right  
Cause I see heaven...

In your eyes- ooo... Thank You.
