Nick Carter, There For Me

Lately I've been thinking about the things that we've been through
And I don't know if I'd be here if not for you
I had to take a little time to try to work things out
And you should know that I had never meant to let you down

Cuz I, I,
Wanna tell you that I am sorry
And I, I,
Even when I'm not giving enough and I'm taking too much
You're still there for me
Even when I got nothing at all and I'm ready to fall
You're still there for me
There for me
There for me

Even when I can't be there for you,
You're always there for me

Oh Oh

Sometimes I know I can be so hard to understand (it's okay)
Even when I'm lost to show me who I really am
Life with me, it hasn't always been an easy ride
But because of you I've learned to loose myself much high

Cuz I, I,
Wanna tell you that I am sorry
And I, I,
Even when I'm not giving enough and I'm taking too much
You're still there for me

Even When I got nothing at all and I'm ready to fall
You're still there for me
There for me
There for me

Even when I can't be there for you,
Oh, you are always there for me

O, know it's love
Oh Wow

Must Be Love

Woohooo

It's gotta be real love
It's gotta be real love
Real Love

Even when I'm giving enough and I'm taking too much
You're still there for me
Even when I got nothing at all and I'm ready to fall
You're still there for me
There for me
there for me

Even when I can't be there for you
I can't be there
Even when I can't be there for you
You're always there for me.
