Nick Cave, Fifteen Feet Of Pure White Snow

Where is Mona?
She's long gone
Where is Mary?
She's taken her along
But they haven't put their mittens on
And there's fifteen feet of pure white snow?

Where is Michael?
Where is Mark?
Where is Mathew
Now it's getting dark?
Where is John? They are all out back
Under fifteen feet of pure white snow
Would you please put down that telephone
We're under fifteen feet of pure white snow

I waved to my neighbour My neighbour waved to me But my neighbour Is my enemy I kept waving my arms Till I could not see Under fifteen feet of pure white snow

Is anybody
Out there please?
It's too quiet in here
And I'm beginning to freeze
I've got icicles hanging
From my knees
Under fifteen feet of pure white snow

Is there anybody here who feels this low? Under fifteen feet of pure white snow

Raise your hands up to the sky Raise your hands up to the sky Raise your hands up to the sky Is it any wonder? Oh my Lord Oh my Lord Oh my Lord Oh my Lord

Doctor, Doctor
I'm going mad
This is the worst day
I've ever had
I can't remember
Ever feeling this bad
Under fifteen feet of pure white snow
Where's my nurse
I need some healing
I've been paralysed
By a lack of feeling
I can't even find
Anything worth stealing
Under fifteen feet of pure white snow

Is there anyone else here who doesn't know? We're under fifteen feet of pure white snow

Raise your hands up to the sky Raise your hands up to the sky Raise your hands up to the sky Is it any wonder? Oh my Lord Oh my Lord Oh my Lord Oh my Lord Save Yourself! Help Yourself! Save Yourself! Help Yourself! Save Yourself! Help Yourself! Save Yourself! Help Yourself!
