You asked at the local constabulary They said, he's up to his same old tricks They leered at you with their baby blues And rubbed jelly on their sticks I had to get out of there, babe, hiding all away I had to get out of there, dear, hiding all away

You searched through all my poets From Sappho through to Auden I saw the book fall from your hands As you slowly died of boredom I had been there, dear, But I was not there anymore I had been there, now I'm hiding all way

Some of us we hide away Some of us we don't Some will live to love another day And some of us won't But we all know there is a law And that law, it is love And we all know there's a war coming Coming from above

There is a war coming [2x]
