

Nick Cave, I Put A Spell On You

I put a spell on you, 'cause you're mine
You'd better stop those things that you're doin'
Oh, honey, I ain't lyin', no

Wow, you better quit it, your messin' around
You better quit it, your foolin' around
I put a spell on you, wow, cause you're mine

It serves you right to suffer
It serves you right to be alone
Oh, you forever live the day I done packed and gone (?)

Oh you better kick it before it kicks you
Oh, you better quit it, it's true
I put a spell on you, wow, cause you're mine, mine, mine

You better quit it, your foolin' around
You better quit it, kick it, , oh you're messin' around
I put a spell on you, you, cause you're mine
