Lovely Creature
There she stands, this lovely creature
There she stands, there she stands
With her hair full of ribbons
And green gloves on her hands

So I asked this lovely creature Yes, I asked. Yes I asked Would she walk with me a while Through this night so fast

She took my hand, this lovely creature & amp;quot; Yes", she said, & amp;quot; Yes", she said & amp;quot; Yes, I'll walk with you a while& amp;quot; It was a joyful man she led

Over hills, this lovely creature Over mountains, over ranges By great pyramids and sphinxs We met drifters and strangers

Oh the sands, my lovely creature And the mad, moaning winds At night the deserts writhed With diabolical things

Through the night, through the night The wind lashed and it whipped me When I got home, my lovely creature She was no longer with me

Somewhere she lies, this lovely creature Beneath the slow drifting sands With her hair full of ribbons And green gloves on her hands
