

# Nick Cave, Mama's Boy

Cave Nick  
Miscellaneous  
Mama's Boy

I was born in a motel room  
the night my Daddy lost his job  
Just after one, he pulled a gun  
and blew the brains out of some poor slob

They call me mamma...  
They call me mamma...  
They call me mamma's boy  
But I don't care

I'll be a mamma...  
I'll be a mamma...  
I'll be a mamma's boy  
since Daddy got...the electric chair.
