Oh, Happy Day

Oh happy day, oh happy day

When Jesus washed, oh when He washed

When my Jesus washed, He washed my sins away

Oh happy day

He taught me how to walk, fight and pray, fight and pray

And in rejoicing, in rejoicing every, every day, every day.

Oh happy day, oh happy day;

When my Jesus washed, oh when He washed

When my Jesus washed all the sins away

Oh happy day, yeah.

You see He taught me how to watch, fight and pray fight and pray

And in rejoicing, in rejoicing every day, every day

Oh happy, happy day, oh happy, happy day

Oh it felt so good when Jesus, when Jesus washed,

When my Jesus washed my sins away.
