

# Nick Cave & The Bad Seeds, Give Us A Kiss

Childhood days in a simmer haze  
Give us a kiss  
In the blue you whisper into the music  
And the feel underneath the foam bush  
Give us a kiss  
Hold me over, passing down  
Pass the blood factory and the town  
Come on, give us a kiss  
One that will sip, sip, sip  
Before you slip, slip, slip away

Yeah, I'm still hanging out in your blue tunes  
In your sizzling shoes in my dreams  
Give us a kiss  
One little sip, sip, sip  
Before I catch, catch, catch  
I'll find, I'll be a good girl  
And it burns  
Kiss

You want me to burn away  
You want me to burn away  
You want me to burn away  
If you want me to burn away
