

Nick Jonas, Remember I Told You (ft. Anne-Marie)

Remember i told you
I need you
All of the words that I'm saying
Are just a fancy way of saying I care
I don't suppose you have a moment to spare me
Do you? /2x
I've been looking for loving
All the wrong place
You too? /2x
I don't like the way you went and told me oh well
I have the suspicion you're not being yourself
I don't suppose you have a moment to spare me
Do you? /2x
Remember I told you
I need you
Remember the spotlight was there
All of the words that I;m saying
Are just a fancy way of saying I care
