

# Nickelback, Edge Of A Revolution

Head high, protest line  
"Freedom" scribbled on your sign  
Headline, New York Times  
Standing on the edge of a revolution  
Hey, hey, just obey.  
Your secret's safe with the N.S.A.  
In God we trust or the C.I.A.?  
Standing on the edge of a revolution

Yeah, we're standing on the edge of a revolution  
Revolution, revolution, revolution

No, we won't give up, we won't go away  
'Cause we're not about to live in this mass delusion  
No, we don't wanna hear another word you say  
'Cause we know they're all depending on mass confusion  
No, we can't turn back, we can't turn away  
'Cause it's time we all relied on the last solution  
No, we won't lay down and accept this fate  
'Cause we're standing on the edge of a revolution

Wall Street, common thief  
When they get caught they all go free  
A brand new yacht and a finders fee  
Standing on the edge of a revolution

Same shit, different day  
Can't keep fed if I can't get paid  
We'll all be dead if the shit don't change  
Standing on the edge of a revolution

Yeah, we're standing on the edge of a revolution  
Revolution, revolution, revolution

No, we won't give up, we won't go away  
'Cause we're not about to live in this mass delusion  
No, we don't wanna hear another word you say  
'Cause we know they're all depending on mass confusion  
No, we can't turn back, we can't turn away  
'Cause it's time we all relied on the last solution  
No, we won't lay down and accept this fate  
'Cause we're standing on the edge of a revolution

We'll all be dead if this shit don't change  
Hey hey hey hey

What do we want? We want the change  
And how're we gonna get there? Revolution  
What do we want? We want the change  
Standing on the edge of a revolution

What do we want? We want the change  
And how're we gonna get there? Revolution  
What do we want? We want the change  
Standing on the edge of a revolution

No, we won't give up, we won't go away  
'Cause we're not about to live in this mass delusion
