

# Nickelback, Next Contestant

I judge by what she's wearing  
Just how many heads I'm tearing  
Off of assholes coming on to her  
Each night seems like it's getting worse  
And I wish she'd take the night off  
So I don't have to fight off  
Every asshole coming on to her  
It happens every night she works  
They'll go and ask the DJ  
Find out just what would she say  
If they all tried coming on to her  
Don't they know it's never going to work  
They think they'll get inside her  
With every drink they buy her  
As they all try coming on to her  
This time somebody's getting hurt

[CHORUS]

Is that your hand on my girlfriend?  
Is that your hand?  
I wish you'd do it again  
I'll watch you leave here limping  
I wish you'd do it again  
I'll watch you leave here limping

I even fear the ladies  
They're cool but twice as crazy  
Just as bad for coming on to her  
Don't they know it's never going to work  
Each time she bats an eyelash  
Somebody's grabbing her ass  
Everyone keeps coming on to her  
This time somebody's getting hurt

Here comes the next contestant

[CHORUS]

I'm hating what she's wearing  
Everybody here keeps staring  
Can't wait 'til they get what they deserve  
This time somebody's getting hurt

Here comes the next contestant

[CHORUS]

I wish you'd do it again  
Each night seems like it's getting worse  
I wish you'd do it again  
This time somebody's getting hurt
