

# Nickelodeon, Royal Canadian Kilted Yaksmen - R

(Stimpy)

Our country reeks of trees  
Our yaks are really large  
And they smell like rotting beef carcuses

And we have to clean up after them  
And our sadle sores are the best  
We proudly wear womens' clothing  
And seering sandblows up our skirts!

(Ren joins with Stimpy)

And the buzzards, they soar overhead  
And poisonous snakes will devour us whole  
And our bones will bleach in the sun

(Stimpy)

That's it!

(Ren & Stimpy)

And we will probably go to (censored)  
And that is our great reward  
For being the  
Ro-oy-oy-al  
Canadian Kilted Yaksmen!

(Stimpy)

C'mon everybody!
