

Nicki Minaj, Blessings (feat. Tasha Cobbs Leonard)

I-I-I
Blessings, blessings, oh, blessings
On God, God, God
Woo
Sad Pony
God (BNYX)

There's a river that I go to and it heals me
Recently became a mama and that thrills me
Even when the water's rocky and it chills me
When he tells me to be still, somehow it stills me
Ah, ah-ah-ah-ah
Ah, ah-ah-ah-ah, ooh-ooh

Blessings, blessings, oh, blessings
On God, God, God
Blessings, blessings, oh, blessings
On God, God, God

I know I can really say, "I'm truly proud of you"
And no matter what they say, I never doubted you
I completely understand what you gotta do
Do what you gotta do
There's a river that I go to and it heals me
My cup runneth over, it ain't ever empty
Mm, when I'm gettin' my own, I still have plenty
Stop beatin' up on yourself, handle it gently

Blessings, blessings, oh, blessings
On God, God, God
Blessings, blessings, oh, blessings
On God, God, God

There's a river that I run to when I'm empty
It keeps flowin' every mornin', grace and mercy
When I'm walkin' through the valley, I'll know how it feel
I will never be convinced that He's not there, oh
Be courageous, He never changes
There's a father who is present, and He sees us
Make no mistake about it, His name is Jesus (Jesus)

Blessings, blessings, oh, blessings
On God, God, God
Blessings, blessings, oh, blessings
On God, God, God
Ooh

And now it's five, I get down on my knees and pray to you
I found my reason, your presence, I blow my faith for you
I saw the blessings come down and I start praisin' you
You gave me spiritual gifts I was afraid to use
Ain't never leave me
Always receives me
That's why they can't get me
I know that he's always with me (He's always with me)

Blessings, blessings, oh, blessings
Every single days
On God, God, God
He's always with me
Blessings, blessings, oh, blessings
Every single day
On God, God, God
