

Nicki Minaj, Bussin (feat. Lil Baby)

Yeah, my connect just now sent my wrist back
Tell these bitches give my drip back
Strawberry Ferrari, whip that
Like to look back when he h-h-h-h-hit that
Ass and thighs, that's where I'm thick at
Told his ex she ain't gettin' that dick back
I call Baby, "Yo, where that stick at?"
Tell them boys come get his shit back
If they act up, we gon' fix that
My new nigga ain't with that chit chat
You know, you ain't gettin' your bitch back
Yeah, I do it, bitch, I did that
Wish a bitch would, I ain't takin' my wish back oo
This cost half a ticket, plus tax
Big ol' Draco for a mishap
It say "Barbie" on my wrist tat'
I ain't at the bus stop, but my niggas bust back, bust back

VVS is bu-bu-bussin'
Ass so fat, it's bu-bu-bussin'
Bag so full, it's bu-bu-bussin'
Drivin' foreigners, bitches bussin' Queen!
