

Nicki Minaj, I Get Crazy

(feat. Lil' Wayne)

[Nicki Minaj:]

I just came out of the mutherfuckin Old School
Got my Mac notebook with the Pro tools
Yahh Bitches ain't ready for Nicki Lewinsky
Bad "WOOF WOOF" flyer then a Frisbee
So I'm' up in Mid-LA eating Mangos
Keep a couple Pink Toes in my Sandals
Got some Bangles all over my Ankles
Such a Star they say I'm' a Star Spangle
Buh Buh Buh Buh Buh Banner
I am the Rap Hannah
Mah Mon Montana so fix your Antenna
I keep three hoes, But don't call me Santa
And I am flyer then Reindeer in the Winta (In the Winter)

[Hook:]

I Get Crazy, [x4]

I I Get Crazy

I Get Crazy, [x4]

[Nicki Minaj:]

So I got a Badd Bitch mentality
Cause I just came from another Galaxy
I be with the President up in the White House
If we in the Oval Office then the Lights Out
Cause I am the Wicked Witch I'm' the Nickster
And I keep a Bad Bitch on my Jickster
But I leave her in a second for a Thicker
Rockstar little mama with a Guitar
I am Nicki El.Em.En.Oh.Winsky
I mean my name Ring Bells like Tinky
I mean Tinker
Tell that Niqga Link her
Cause I'm' looking for some Good Brains from a Thinker

[Hook:]

[Lil Wayne:]
