

Nicki Minaj, Pink Friday Girls

The phone rings in the middle of the night
My father yells, "What you gonna do with your life?"
Oh, daddy dear, you know you're still number one
But girls, they wanna have fun

I could tell he the one 'cause they hatin' on him
Used to be a high roller, but I skated on him
When he went away, then I just waited on him
Came back, then I got X-rated on him
Never, never had to tatter on him
Even thought I had to go up, elevated on him
Had the trap house, but it got raided on him
But I kept it real, player, never traded on him, uh
I mean, I wouldn't call 'em mini-me's
More like the whiskey to the raggedy, I sent him in, plus I mean
What if I'm showin' for gettin' in
Me and my girls been them ho's, start weedin' them, uh
When the sun hit his eyes, I wanna star-star, tw-twinkle at night
Guys, I just can't say bye
Said at least be tight, let me samurai fly

Phone rings in the middle of the night
My father yells, "What you gonna do with your life?"
Oh, daddy dear, you know you're still number one
But girls, they wanna have fun
Oh, girls just wanna have-

I'm lookin' for, I'm lookin' for my baby (I'm lookin' for my baby)
I'm lookin' for, I'm lookin' for my baby (I'm lookin' for my baby)

Look-lookin' for my lipgloss and my liner (Liner)
Lookin' for him, tell him meet me at the diner (Diner)
Got him smilin' 'cause he know I outshine her (Shine her)
Had to pop her just to remind her
Easy lil' ho, don't know my M.O
If I want your nigga, then just let him go
Can't sit in my seat, can't sit in my row
He been said I'm yes, he been said you no
He got that fetish for some pretty feet
He got that Super Bass, make my heart skip a beat, I mean
Red cups like double D's
Chanel bags everywhere, that's double C's
Uh, you rich bitch, buy in your dreams
You know we gettin' to the bag, keepin' it a bean
(They said-) They said what? Oh, yeah, I seen
We doin' great, Alexander, word to McQueen

Phone rings in the middle of the night
My father yells, "What you gonna do with your life?"
Oh, daddy dear, you know you're still number one
But girls, they wanna have fun
Oh, girls just wanna have-

Just wanna, just wanna, just wanna have fun (Have fun)
Just wanna, just wanna, just wanna have fun (Have fun)
Just wanna have, just wanna have, just wanna have fun (I wanna have fun)
Just wanna have, just wanna have, just wanna have fun (I wanna have fun)
Just wanna have, just wanna have, just wanna have fun (I wanna have fun)
Just wanna have, just wanna have, just wanna have fun (I wanna have fun)

Just wanna, just wanna, just wanna have fun (Have fun)
Just wanna, just wanna, just wanna have fun (Have fun)
