

Nicklas Sonne, Freedom (Dania - piosenka na EUROWIZJA 2023)

(I'll take it back, I'll take it back, I'll take it back)

I will rise from the flames that you put me through
So viciously for many years (I'll take it back)
I've been cheated of time, I was blind
But now I'm hearing the future is mine

I'll take it back
I'll take back what you stole from me (stole from me)
You say, we'll take back what is mine
I'll take back what you stole from me (stole from me)
Today your reign is over, oh! freedom is calling my name

Calling my name
(I'll take it back, I'll take it back, I'll take it back)

I will rise from the wounds that you cut deep in my
Very soul for many years (I'll take it back)
I've been cheated of life and of love
But now I'm hearing the future is mine

I'll take it back
I'll take back what you stole from me (stole from me)
You say, we'll take back what is mine
I'll take back what you stole from me (stole from me)
Today your reign is over, oh! freedom is calling my name

I'll take back what you stole from me (stole from me)
You say, we'll take back what is mine
I'll take back what you stole from me (stole from me)
Today your reign is over, oh! freedom is calling my name

Calling my name
Freedom is calling my name

I'll take back what you stole from me
I'll take back what is mine
I'll take back what you stole from me
I'll take it back, freedom is mine

I'll take it back
I'll take back what you stole from me (stole from me)
You say, we'll take back what is mine
I'll take back what you stole from me (stole from me)
Today your reign is over, oh! freedom is calling my name

I'll take back what you stole from me (stole from me)
You say, we'll kill the fear inside
I'll take back what you stole from me (stole from me)
Today your reign is over, oh! freedom is calling my name

Calling my name
Freedom is calling my name
