

Nicole Kulesza & Piotr Tłustochowicz, Let me in

What a guy
What a night
Wanna spend it in his arms
If he let me
Even for a last time

What a girl
What a day
Wanna spend it all with her
If she let me
Could it be for a lifetime

Put me beneath your skin, baby
I wanna breath you in, baby
I am the light your bring, baby
Don;t you ever walk away to far
