

# Nightbirde (Jane Marczewski), It's OK

I moved to California in the summertime  
I changed my name thinking that it would change my mind  
I thought that all my problems, they would stay behind  
I was a stick of dynamite and it just was a matter of time

Oh, dang, oh my, now i can't hide  
Said i knew myslef but i guess i lied

It's ok /4x  
If you're lost  
We're all a little lost and it's alright  
/2x

it's alright /4x

I wrote a hundred pages but I burned 'em all  
I, I burned 'em all  
I blow through yellow lights and don't look back at all  
Oh, I don't look back at all  
Yeah, you can call me reckless, I'm a cannonball  
I'm a cannonball  
Don't know why I take the tightrope and cry when I fall

Oh, dang, oh my, now i can't hide  
Said i knew myslef but i guess i lied

It's ok /4x  
If you're lost  
We're all a little lost and it's alright  
/2x

it's alright /4x
