

# Nightfall, My Red, Red Moon (Emma O)

[Efthimis KARADIMAS 1995]

Love is the realm of moon  
Love is the gate to my ivory dreams  
Love is the deep red wine I'm drawn into  
Love is my eyes, diving in the lakes of thoy face

Love is the poison I'm dying to taste  
Love is the highspirited thorn that keeps beauty pure  
Love might be the reason you were born  
Love is pain, and O' damn...  
...I'm dying to see you suffer
