

# Nightwish, Cadence Of Her Last Breath

Running for her life  
The dark rain from her eyes still falls  
Breathtaking butterfly  
Chose a dark day to live

Save one breath for me

A Loner longing for  
The cadence of her last breath

Why do I miss someone  
I never met, with bated breath I lay  
Seawinds brought her to me  
A butterfly, mere one-day miracle of life  
And all the poetry in the world  
Finally makes sense to me

Save one death for me

A Loner longing for  
The cadence of her last breath

Put to rest all that's not life  
Drink for beauty and fill my blank page

Sometimes a dream turns into a dream

A Loner longing for  
The cadence of her last breath
