## Nightwish, For The Heart I Once Had

Heaven today is but a way To a place I once called home Heart of a child, one final sigh As another love goes cold

Once my heart beat to the rhythm of the falling snow Blackened below, the river now flows A stream of molten virgin snow

For the heart I'll never have For the child forever gone The music flows, because it longs For the heart I once had

Living today without a way
To understand the weight of the world
Faded and torn, old and forlorn
My weak and hoping heart

For the child, for the light For the heart I once had I'll believe and foresee Everything I could ever be

For the heart I'll never have For the child forever gone The music flows, because it longs For the heart I once had

Time will not heal a Dead Boy's scars Time will kill

For the heart I'll never have For the child forever gone The music flows, because it longs For the heart I once had
