Nightwish, Know Why The Nightingale Sings

What does the free fall feel like? Asks the boy with a spark in his eye Know why the nightingale sings? Is the answer to everything Taking a step to a world unbound Spinning my fantasies all around Freed from the gravital leash I swear the heaven's in my reach Dancing with the spirit of the air In this ocean so open and fair Making love to the gods above On my maiden voyage so bold Landing safely to the blue lagoon Don't know if this is the earth or the moon Joy of living is no more a mask The Eden I found will forever last Migrating with the geese My soul has finally found peace Doesn't matter that man has no wings As long as I hear the nightingale sing...
