Nightwish, Planet Hell

Denying the lying A million children fighting For lives in strife For hope beyond the horizon

A dead world A dark path Not even crossroads to choose from All the bloodred Carpets before me Behold this fair creation of God!

My only wish to leave behind All the days of the Earth This everyday hell of my kingdom come

The 1st rock thrown again Welcome to hell, little Saint Mother Gaia in slaughter Welcome to paradise, Soldier

My 1st cry neverending
All life is to fear for life
You fool, you wanderer
You challenged the gods and lost

Save yourself a penny for the ferryman Save yourself and let them suffer In hope In love This world ain't ready for the Ark

Save yourself a penny for the ferryman Save yourself and let them suffer In hope In love Mankind works in mysterious ways

welcome down, to my planet hell

Save yourself a penny for the ferryman Save yourself and let them suffer In hope In love This world ain't ready for the Ark

Save yourself a penny for the ferryman Save yourself and let them suffer In hope In love Mankind works in mysterious ways
