Nightwish, Sleeping Sun (2005 version)

The sun is sleeping quietly Once upon a century Wistful oceans calm and red Ardent caresses laid to rest

For my dreams I hold my life For wishes I behold my nights A truth at the end of time Losing faith makes a crime

I wish for this night-time to last for a life-time
The darkness around me - Shores of a solar sea
Oh how I wish to go down with the sun
Sleeping
Weeping
With you

Sorrow has a human heart From my God it will depart I'd sail before a thousand moons Never finding where to go

Two hundred twenty-two days of light Will be desired by a night A moment for the poet's play Until there's nothing left to say

[repeat chorus x2]
