

# Nightwish, Symphony Of Destruction

You take a mortal man  
And put him in control  
Watch him become a god  
Watch people's heads a-roll

Just like the Pied Piper  
Led rats through the streets  
We dance like marionettes  
Swaying to the Symphony of Destruction

Acting like a robot  
Its metal brain corrodes  
You try to take its pulse  
Before the head explodes

Just like the Pied Piper  
Led rats through the streets  
We dance like marionettes  
Swaying to the Symphony of Destruction

Solo - Friedman

The earth starts to rumble  
World powers fall  
A-warring for the heavens  
A peaceful man stands tall

Just like the Pied Piper  
Led rats through the streets  
We dance like marionettes  
Swaying to the Symphony of Destruction
