Nina Hagen, Universal Radio

I'm driving in my car I'm looking for a job And I'm talking to myself, talking to myself, Talking to myself, talking to myself I'm my own radio, my own radio Miss Universe, Universal Radio

I'm walking down the street
All the people watch me from my head to feet
And I'm talking to myself, talking to myself, talking to myself
I'm my own radio, my own radio
Miss Universe, Universal Radio

Hey brothers and sisters from the universe We're drowning in a pot Universal Radio Radio release your soul From mental pollution and mental activity Universal Radio Universal Radio Into the oversee I'm in space, I'm looking for the chosen place

And I'm talking to myself, talking to myself Talking to myself, talking to myself I'm my own radio, my own radio Miss Universe, Universal Radio Miss Ekstasy, Universal Radio Miss Universe, Universal Radio Miss Universe, Universal Radio Oh Solo Mio
