

# Nina, Lovin' You

[Verse 1]

It's been quite awhile  
You've really kept me wanting you  
You've got some style, so unique  
So beautiful, so warm, so deep  
Stay with me tonight  
Let me know what kind of love  
That will remain, forever be  
A dream that you have made reality

[Hook]

Lovin' you, wooh  
Such an easy thing to do  
No you, never know  
It's driving me crazy coz it grows and grows  
But I won't let it stop  
No I'm not giving up  
Lovin' you,  
Lovin' you  
Just a bit too much

[Verse 2]

It's been quite awhile  
I've never felt so easily  
Wonder how you broke my style  
You're close to me I need you now  
Stay with me tonight  
It's got to be just too much love I could remain and forever be  
A dream that had become reality

[Hook]

Lovin' you, wooh  
Such an easy thing to do  
No you, never know  
It's driving me crazy coz it grows and grows  
But I won't let it stop  
No I'm not giving up  
Lovin' you,  
Lovin' you  
Just a bit too much

[Hook2x]

Lovin' you, wooh  
Such an easy thing to do  
No you, never know  
It's driving me crazy coz it grows and grows  
But I won't let it stop  
No I'm not giving up  
Lovin' you,  
Lovin' you .. ooohh lovin' you
