

Nina Nastasia, All Your Life

Busted chin
Seeing stars
Glaring at your handlebars
Your handlebars

Why don't you
Try again
All your life
You couldn't win
You couldn't win

She's never coming back
She's never coming back
And all this waiting
Is bringing me down

Harrowing
Makes you thin
You're so high
You can't look up
You can't look up

Why don't you
Try again
All your life
You couldn't win
You couldn't win

She's never coming back
She's never coming back
And all this waiting
Is bringing me down

She's never coming back
She's never coming back
And all this waiting
Is bringing me down
