Nina Nastasia, All Your Life

Busted chin Seeing stars Glaring at your handlebars Your handlebars

Why don't you Try again All your life You couldn't win You couldn't win

She's never coming back She's never coming back And all this waiting Is bringing me down

Harrowing
Makes you thin
You're so high
You can't look up
You can't look up

Why don't you Try again All your life You couldn't win You couldn't win

She's never coming back She's never coming back And all this waiting Is bringing me down

She's never coming back She's never coming back And all this waiting Is bringing me down
