

Nina Nesbitt, Just Before Goodbye

You got new jeans, the blue one is not gone
I'm in a new dress that I've never worn
And I could've sworn
You didn't bat and I went a walk
Into the room of our first talk
You could be the one

Have we been seeing the world through a piece of shattered glass
Cause something so beautiful can fall apart so fast

Just before goodbye
You have a chance to change your mind
Just before you lie saying
You gave these your best try
It's not enough to try
You have to give your burden, tears and time
You have one last chance to change your mind
Just before goodbye

Curtains are drawn, but we're still dressed
The film plays on while under my bed
I ask what is life, now
But you ignore, pretend that we're fine
We're not together half of the time
I would've known the signs

Have we been seeing the world through a piece of shattered glass
Cause something so beautiful can fall apart so fast
Don't you understand

Just before goodbye
You have a chance to change your mind
Just before you lie, saying
You gave these your best try
It's not enough to try
You have to give your burden, tears and time
Take the word of burden's side
You have one last chance to change your mind
Just before goodbye

Just before goodbye
You have a chance to change your mind
And just before you lie, saying
You gave these your best try
It's not enough to try
You have to give your burden, tears and time
Take the word of burden's side
You have one last chance to change your mind
Just before goodbye
Before goodbye
Before goodbye
