

Nine Inch Nails, 10 Miles High

[Vinyl version only]

I'm getting closer, [4x]

All the time,

I'm getting closer,

All the time,

I'm getting closer, [2x]

All the time,

I'm getting closer, [5x]

I tried to get so high,

I made it 10 miles high,

I'm gonna get so high,

I'm gonna get so high,

You'll never get inside,

I swore I'd never turn into you,

I'm going to all the time,

I made it 10 miles high,

If you're not truthfull I'm not a lie,

I swore to god I would never turn into you,

I'm getting closer,

All the time.

Tear it all down.
