

# Nine Inch Nails, Now Im Nothing

I smashed myself to pieces  
I am gonna fuck myself up  
I'm sifting through the ashes  
Oh what I have become  
I gave myself away now I'm nothing  
I let it slip away now I'm nothing  
All that I can do is break myself in two  
I fucked it all away now I'm nothing  
Wave wave wave wave goodbye  
Wave wave wave wave goodbye
