

Nine Inch Nails, Perfect Drug, The (Aphrodite Mix)

Can't keep control
Can't keep control, can't keep track
Can't keep control, control
Can't keep track
Can't keep control
Control, control
Can't keep control, control, control, control
Can't keep control, control
Can't keep track
Can't keep control
Control
Can't keep track
You are
The perfect
And I want you
You
The perfect
You are the perfect
I want you, you
You are the perfect drug
Take me with you
I want you
Take me with you
You
Take me with you
You are the perfect
Take me with you
You make me hard
You
I want you
You
And I want you
You, you
Take me with you
You are the perfect
Take me with you
And I want you
Take me with you
You are the perfect drug
The perfect
