Nine Inch Nails, Sunspots

Sunspots cast a glare in my eyes Sometimes I forget I'm alive I feel it coming and I've got to get out of its way I hear it calling and I come cause I can't disobey I should not listen and I shouldn't believe But I do Yes I do

[Chorus:]
She turns me on
She makes me real
I have to apologize
For the way I feel

My life, it seems has taken a turn
Why in the name of god would I ever want to return?
Peel off our skin we're gonna burn what we were to the ground
Fuck in the fire and we'll spread all the ashes around
I wanna kill away the rest of what's left and I do
Yes I do

[Chorus]

And nothing can stop me now There is nothing to fear And everything I'd ever want Is inside of here

Ooh, I want, I want, I want inside of here

Now I just stare into the sun And I see everything I've done I think I could have been someone But I can't stop what has begun When everything is said and done And there is no place left to run I think I used to be someone Now I just stare into the sun
