

# Nine Inch Nails, The The World Went Away

I'd listen to the world he'd say  
but his voice I heard decay  
the plastic face forced to portray  
and the insides left cold and gray  
there is a place that still remains  
it eats the fear it eats the pain  
the sweatest price he'll have to pay  
the day the whole world went away  
na na nah  
na na na, nah  
na na nah  
na na na, nah
