

Nirvana, Dive

Pick Me, Pick me, yeah
Let a long, low signal
At ease, at least, yeah
Everyone is hollow

Pick me, pick me, yeah
Everyone is waiting
Pick me, pick me, yeah
You can even pay them

Hey!!!!.....

Dive, dive, dive, Dive in me (x2)
Dive in me (x3)

Kiss this, kiss that, yeah
Let a long, low signal
At ease, at least, yeah
You can be my hero

Pick me, pick me, yeah
Everyone is waiting
Hit me, Hit me yeah,
Im real good at hating

Hey

Dive, dive, dive, Dive in me (x2)
Dive in me (x3)

Dive, dive, dive, Dive in me (x3)
Dive in me(x6)
