## Nirvana, Drain You

One baby to another says I'm lucky to have met you
I don't care what you think
Unless it is about me
It is now my duty to completely drain you
A travel through a tube
And end up in your infection

Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours I like you

With eyes so dialated, I've become your pupil You've taught me everything Without a poison apple The water is so yellow, I'm a healthy student Indebted and so grateful -Vacuum out the fluids

Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours I like you You [x5]

One baby to another says I'm lucky to have met you
I don't care what you think
Unless it is about me
It is now my duty to completely drain you
A travel through a tube
And end up in your infection

Chew your meat for you Pass it back and forth In a passionate kiss From my mouth to yours Sloppy lips to lips You're my vitamins I'm like you
