

Nirvana, Floyd The Barber

Bell on door clanks "come on in"
Floyd observes my hairy chin
"Sit down chair, don't be afraid"
Steamed hot towel on my face

I was shaved
I was shaved
I was shaved

Barney ties me to the chair
I can't see, I'm really scared
Floyd breathes hard, I hear a zip
Pee pee pressed against my lips

I was shamed
I was shamed
I was shamed

I sense others in the room
Opie, Aunt Bee, I presume
They take turns and cut me up
I die smothered in Andy's butt

I was shamed
I was shamed
I was shamed
