## Nirvana, Heartbreaker

Hey fellas, have you heard the news? You know that Annie's back in town? It won't take long, just watch and see All the fellas lay their money down

Her style is new, but the face the same As it was so long ago But from her eyes, a different smile Like that of one who knows

Well, it's been ten years and maybe more Since I first set eyes on you The best years of my life gone by Here I am alone and blue

Some people cry and some people die By the wicked ways of love But I'll just keep on rollin' along With the grace of the Lord above

People talkin' all around 'Bout the way you left me flat I don't care what the people say I know where their jive is at

One thing I do have on my mind
If you can clarify, please do
It's the way you call me another guy's name
When I try to make love to you
I try to make love, but it ain't no use
Give it to me, give it

Work so hard, I can't unwind Get some money saved Abuse my love a thousand times However hard I tried

Heartbreaker, your time has come Can't take your evil ways Go away, heartbreaker Heartbreaker, heart!
