

# Nirvana, Horrified

When I have a hand  
When I have a hand  
When I need undressed  
From all that I've had  
I know that I've had  
Comin' to her sin  
When I know I've had  
Lend a helpin' hand  
And I'll help herself

When I ya  
When I ya  
When I ya  
When I ya  
When I ya  
When I ya

When I know I'm there  
When I smell her stare  
I know no one breathe  
Send my soul right there  
Sell my soul right there  
And I'll know I'll be  
From all that I have  
When I know I have  
When I have a plan

When I ya  
When I ya  
When I ya  
Tonight ya  
Tonight ya  
Tonight ya
