

# Nirvana, Mexican Seafood

All the itchy flakes, it is a flaming  
All the gels and cremes it is pertaining  
To a fungus mold cured by injection  
Hope it's only ah, a yeast infection

Oh well, it burns when I - it hurts when I pee  
Oh well, it hurts when I - it hurts when I see

Now I vomit cum and diarrhoea  
On the tile floor like oatmeal pizza  
Fill my toilet bowl full of a cloudy  
Puss, I feel the blood becoming chowder rust

Oh well, it burns when I - it hurts when I pee  
Oh well, it hurts when I - it hurts when I see

Roll into my bed which does consist of  
Lice, bugs and fleas and yellow mucus  
Stained dirt, vaseline, toe jam and booger  
Stomach acid worms that dance in sugared sludge

Mmmmm ...
