Nirvana, Milk It

I am my own parasite I don't need a host to live We feed off of each other We can share our endorphins

Doll steak! Test meat!

Look on the bright side is suicide Lost eyesight I'm on your side Angel left wing, right wing, broken wing Lack of iron and/or sleeping

I own my own pet virus I get to pet and name her Her milk is my shit My shit it is her milk

Test meat! Doll steak!

Look on the bright side is suicide Lost eyesight I'm on your side Angel left wing, right wing, broken wing Lack of iron and/or sleeping
