Sure, i can shit anywhere and i promise to kill

I will shit on the stage and i'll

Crawl with the sound and i'm falling down

If i...

I choose to shit anywhere and i promise to shit on your head, if you want

I've forgotten to bother to

God, i'm shit

I'll shit anywhere

And now i choose you

Shit on your face

And i'm...right

And god, oh god

Oh why/wife my ???

Want my ???

I'm new wave

Aaahh

I'm new wave

I'm old school

I'm new wave

I'm afraid

I'm a wave

I'm new wave and i'll shit anywhere that i please
