theres only one moment for living (x11)

I cant believe this (x8)

Well maybe,

But i dont think so

or maybe yes

i dont know

only you

theres only one moment for living (x11)

I cant believe this (x8)

I forgot,

A planted tree

or maybe not

i dont know

only you

theres only one moment for living (x11)

I cant believe this (x20)

Only you...
