

Nirvana, Turnaround

Take a step outside yourself
And turn around
Take a look at who you are
It's preety scary
So silly
Revolting
You're not much
You can't do anything
Take a step outside the city
And turn around
Take a look at what you are
It is revolting
You're really nowhere
So wasteful
So foolish
Poppycock
Who said don't look back?
Don't believe 'em
Go for that crazy sounding restaurant
'Cos they're gonna try and get behind you
Don't let them do it
You know what I'm talking about?
You hear me talking?
You hear me talking?
It's preety scary it's so revolting
Take a step outside the country
And turn around
Take a look at what you are
It is amazing
Take a good look
You're no big deal
You're so preety
It's lots
Take a step outside the planet
Turn around and around
Take a look at where you are
It's preety scary
